## THE EVENT

The Pikeman Challenge is an action packed three day event based in the "sunny south-east". From our base in Wexford town, you will hike 75 kilometres over mixed terrain of beautiful Wexford countryside.

The theme of the challenge is to follow in the footsteps of Wexford's 1798 Rebel Pikemen.

2008, the inaugural year of the Pikeman Challenge proved to be hugely successful and enjoyable for everyone involved, and 2009 promises to deliver an even more exciting event.

Attracting young people to sport is a primary objective of the Faythe Harriers. Proper facilities are required to promote enjoyment and encourage participation across all the underage groups.

This fundraising initiative will help provide the Faythe Harriers Hurling & Camogie Club with new, state of the art, playing facilities for the youth of Wexford town while giving other organisations and individuals the opportunity to raise money for their club or chosen charity.
